

Guide 2025

ON
LEMON®

YERBATA

Fresh citrus layered with the distinctive bitterness of yerba mate.

Bright, refreshing, and naturally energising.

A sparkling yerba mate drink designed for cafés, restaurants and bars looking for a non-alcoholic option with more character than traditional sodas.

Why it works:

- Naturally energising from yerba mate
- Refreshing, citrus-forward profile
- A more distinctive alternative to traditional soft drinks

Best served:

As a daytime pick-me-up, alongside lunch dishes, or as a modern alcohol-free alternative.

ON
LEMON®

YERBATA ZERO

Classic yerba mate character with a crisp, clean finish. Lightly sparkling and built around natural caffeine from yerba mate.

A zero-sugar sparkling drink designed for cafés and bars that want a functional, non-alcoholic option without excessive sweetness.

Why it works:

- Zero sugar
- Naturally energising from yerba mate
- Clean, refreshing profile

Best served:

Alongside brunch and lunch menus, at the bar as a more interesting alcohol free option, or as a lighter alternative to energy drinks.

YERBATA

Pomegranate

Deep pomegranate flavour balanced by the herbal edge of yerba mate.

Fresh, vibrant, and naturally energising.

A sparkling yerba mate drink that combines fruit-forward flavour with a clean caffeine lift.

Why it works:

- Naturally energising from yerba mate
- Balanced sweetness with tart pomegranate notes
- Expands the non-alcoholic offering beyond soda

Best served:

With lighter dishes, paired with pastries, or at the bar as an interesting alcohol free option.

ON
LEMON

MATCHBATA

Fresh matcha balanced with apple, lemon, and lime.

Light, citrusy, and naturally energising.

A gently sparkling matcha-based drink designed for cafés, restaurants and bars looking for a more modern and functional non-alcoholic option.

Why it works:

- Naturally energising from matcha
- No added sugar
- A lighter alternative to juice and soda

Best served:

In coffee settings, with brunch dishes, or as a daytime pick-me-up.

ON
LEMON

MATCHBATA Strawberry

Fresh strawberry with a smooth, earthy base of matcha. Light, balanced, and slightly creamy in texture.

A gently sparkling matcha-based drink designed for cafés and bars looking to offer a more distinctive, non-alcoholic option.

Why it works:

- Easy to pair with broad appeal
- Naturally energising from matcha
- A lighter alternative to juice and traditional soft drinks

Best served:

With brunch and lighter dishes, in coffee settings, or as a functional pick-me-up during the day.

ICEBATA

Jasmine Tea

Fragrant jasmine with a clean, refreshing finish.
Light notes of mint and cucumber bring balance
without overpowering

A still iced tea designed for cafés and bars that want a
non-alcoholic option that pairs well with food and
pastries.

Why it works:

- Non-carbonated (broad appeal, food-friendly)
- Balanced profile (not overly sweet)
- A lighter alternative to sodas and kombucha

Best served:

As a refreshing non-alcoholic option on its own, with
light lunch dishes, or with your favorite pastry.

ON
LEMON®

Lime

Sharp lime balanced with natural sweetness and a crisp citrus finish.

Bright, refreshing, and clean.

A sparkling lemonade designed for venues that want a classic citrus option with more character and freshness.

Why it works:

- Crisp and highly refreshing
- Clean citrus profile, with high fruit content
- Broad menu versatility

Best served:

With lighter dishes, as a mixer in bars, or as a refreshing alcohol-free option.

LEMON®

Rhubarb

Fresh rhubarb with balanced acidity and soft apple notes.
Lightly tart, crisp, and highly refreshing.
A sparkling lemonade designed for cafés, restaurants and bars looking for a modern take on classic Nordic flavours.

Why it works:

- High fruit content and refreshing
- Balanced sweet and sour profile
- Works well across both café and food settings

Best served:

With pastries, light lunch dishes or brunch,
or as a refreshing alcohol free option on the drink card.

Black currant

Dark blackcurrant layered with subtle tartness and depth.

Rich in flavour while still fresh and balanced.

A sparkling lemonade designed for cafés, restaurants and bars looking for a fuller fruit profile on the non-alcoholic menu.

Why it works:

- Deep berry character with high fruit content
- Balanced sweetness and acidity
- A more distinctive alternative to standard soft drinks

Best served:

Alongside desserts, pastries, or as a alcohol free alternative to wine. Can also be served warm when the temperature drop.

ON
LEMON®

Gooseberry

Tart gooseberry balanced with soft apple sweetness.

Fresh, slightly floral, and pleasantly sharp.

A sparkling lemonade inspired by classic garden flavours, reworked into a modern non-alcoholic option.

Why it works:

- Distinctive Nordic-style flavour profile
- Balanced acidity and sweetness with high fruit content
- Adds variety to the soft drink selection

Best served:

With pastries, seasonal dishes, or during afternoon café service.

ON
LEMON®

Plum

Ripe plum with soft berry-like depth and balanced sweetness.

Rich in flavour while still clean and refreshing.

A sparkling lemonade that brings a darker, more rounded fruit profile to the non-alcoholic menu.

Why it works:

- Distinctive fruit character
- Balanced sweetness and acidity
- A more refined alternative to traditional soda

Best served:

Alongside desserts, pastries, or as a nice alternative to wine. Can also be enjoyed warm during the colder seasons.

LEMON®

Pineapple

Ripe pineapple with bright acidity and a clean tropical finish.

Fresh, juicy, and easy to drink.

A sparkling lemonade designed for cafés, restaurants and bars that want a fruit-forward option without excessive sweetness.

Why it works:

- High fruit content – 68% real fruit!
- No added sugar
- Tropical profile with broad appeal

Best served:

With brunch dishes, spicy food, or as a refreshing daytime drink.

LEMON®**

Pear

Soft pear balanced with subtle apple acidity, creating a well rounded cider character.

Smooth, rounded, and lightly floral.

A sparkling lemonade with a gentler fruit profile designed for cafés and food-focused venues.

Why it works:

- Balanced and approachable flavour
- Less sharp than citrus-based sodas
- Pairs well with both sweet and savoury dishes

Best served:

Alongside pastries, cheese plates, or lighter lunch dishes, or in the bar as an alcohol free cider option.

LEMON®**

Orange

Bright orange with natural citrus bitterness and a clean finish.
Fresh, juicy, and highly refreshing.
A sparkling lemonade built around classic citrus flavour with a more natural and balanced profile.

Why it works:

- Familiar flavour with high fruit content.
- Balanced citrus profile
- Easy addition to café and restaurant menus

Best served:

With brunch, lunch dishes, or as a refreshing alcohol-free option throughout the day.
